

Saint Matthew's EPISCOPAL CHURCH

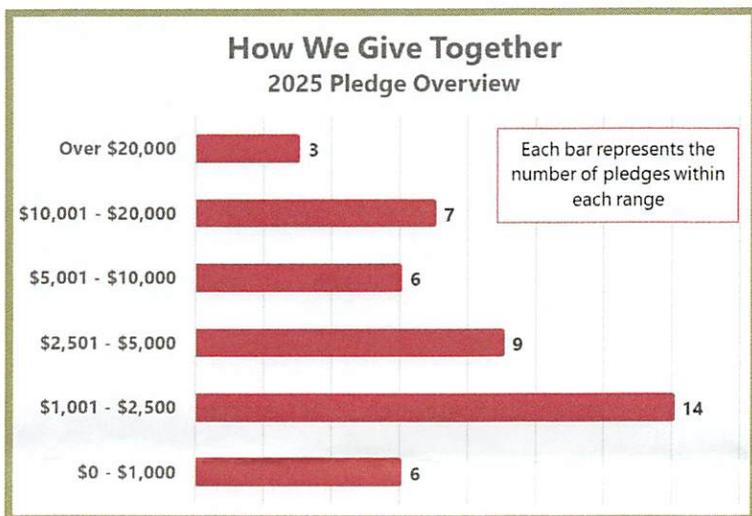

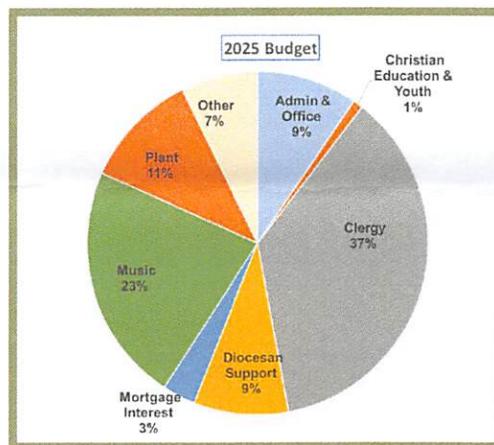

2026 STEWARDSHIP - *WHAT WE DO NEXT*

Stewardship is how we respond to God's grace and the gifts God has given us, including our personal financial resources.

St. Matthew's uses those gifts to do what God is calling us to do – to fund *what we do next*.

Our gifts enable us to create a kind of home where we are transformed, and where everyone is valued and respected.

Your giving is an expression of gratitude and trust and has a direct impact on *what we do next!*

Stewardship is a sacred and longstanding Episcopal tradition. Each pledge is an act of faith. Collectively our gifts enable possibilities we could never imagine alone. These pledges are St. Matthew's primary source of funding, aside from the annual auction and other small gifts. Without these commitments from members, we would not be able to maintain the church and all its ministries. What percentage of your income do you feel God calling you to give? Thank you for pledging this vital affirmation of faith to our community, and *what we do next* at St. Matthew's Episcopal Church.

Choose from the following to make your pledge and pledge payment!

- Use the pledge form included in your mailer
- Email Brian Angerame at bmangerame@gmail.com
- Pledge electronically through the following link: www.stmatthewswilton.org/give/pledge/
- Make a gift of stock, securities or mutual funds, or donate through a donor-advised fund

You belong, no exceptions.
