

Welcome to **Quest**, formerly known as “*Joint Middle School Youth Group.*”

This year we felt it fitting to give our group a name that expresses our intention. The simple dictionary definition of quest is “a search for something”. Our mission here in middle school youth group, is to provide the youth with life-long tools that will aid them in their pursuit of God and help them recognize places where God is in pursuit of them. We believe that this search for God can be full of excitement, joy, hope, service, and adventure. In addition, embarking on this quest as a group, binds us together giving us each a place to belong and an important role to play. We believe that the lessons, service, fellowship and fun had in this context will serve to distinguish youth as leaders within the community.

Join us this year for a fun, faithful walk with God and each other.

*6/7th Church School class will be weekly during service at 10:15 AM.

September

- 18 Homecoming Sunday Service
- 19 **Quest** Welcome back dinner 6-7:30 PM
